MAKE THIS STARTLING
TEST AT YOUR TABLE

1.

Ask one man at your table what type of Scotch he prefers. He may say, "Light."

2.

Ask another, and he probably will reply to your question by saying, "Full flavored."

3.

When the waiter comes to take your order for drinks, say, "Stodart's and soda."

4.

The gentleman who prefers his Scotch light will praise Stodart's for being light.

5.

The gentleman who prefers his Scotch full-flavored will praise Stodart's for that!

THE INTERNATIONAL TASTE FOR THE INTERNATIONAL PLACE

In Glasgow, the Scotchmen take it as a matter of course. But in Biarritz and Bombay, in Siam and Saskatchewan, the most shrewd of Scotch drinkers lift their eyebrows in pleasant amazement.

You, too, will be amazed at the facility with which Stodart's gratifies your particular fancy in Scotch. There's no mystery to it. Stodart's is simply blended of 21 choice Scotch whiskies, so that if you like your Scotch dry or like it rich, one of the 21 subtle Scotch flavors mingled into one will assure you that Stodart's is it.

Don't waste your time and money looking around for the "right" Scotch. Just say "Stodart's!"
